FROM THE DESK OF THE CHIEF EDITOR

It gives me immense pleasure to present the first edition of our institution's newsletter, Tara: A Mirror to Our Inner-self. This newsletter reflects the spirit of an institution — its vision, mission, and aspirations. It also highlights key events, activities, and academic achievements.

Thanks to the dedication and enthusiasm of our dynamic team, we have captured the vibrant spirit of the past three months. I hope this newsletter will inspire more members of our community, especially our students, to contribute and showcase their creativity through this platform.

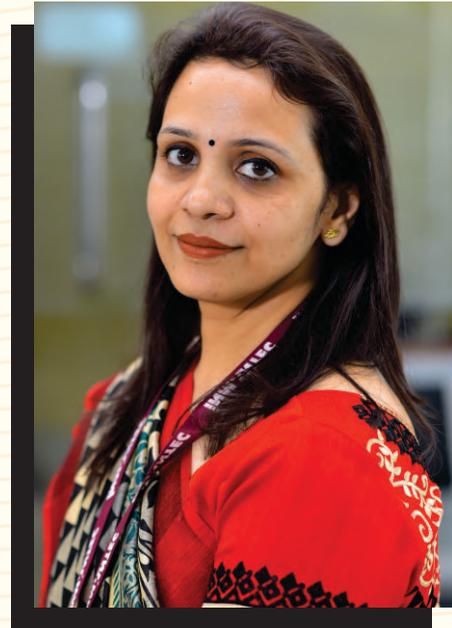

This edition is the result of intelligent planning, determined efforts, and a shared commitment to quality by our faculty, staff, and the students alike. I extend my sincere appreciation to each one of you. Our collective goal is to strive for excellence and provide avenues for our students to demonstrate their diverse talents and ingenuity.

I wholeheartedly express my gratitude to the entire editorial board and all the contributors who made Tara: A Mirror to Our Inner-self a reality and hope for a similar enthusiasm for the forthcoming issues as well.

Let's continue adding vibrant chapters to our journey of growth, compassion, and learning — turning each day into a celebration of knowledge.

Dr. Ananta Sharma

*Principal, ISE & Editor, TARA
INMANTEC INSTITUTIONS*

FROM THE DESK OF THE EXECUTIVE DIRECTOR

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge, and knowledge makes you great.”

-Dr. A.P.J. Abdul Kalam

I am delighted to present the inaugural issue of our institution’s monthly newsletter—TARA: A Mirror to Our Inner Self. Tara will serve as a chronicle of our institution’s achievements, fostering its reputation as a center of excellence. It is both an honor and a pleasure to share our journey with you.

This edition showcases the vibrant interactions between faculty and students, celebrating their accomplishments in research, academics, community service, creative pursuits, self-exploration, excursions, awareness campaigns, and personal growth. It also features insights from plenary sessions that have expanded their knowledge and perspectives. Additionally, we bring you updates from various departments on workshops, guest lectures, interviews, collaborations, and other noteworthy developments.

I extend my heartfelt congratulations to the team—primarily our students—who have worked tirelessly to create this engaging compilation. We hope you find it both informative and inspiring. Your feedback and suggestions are always welcome as we strive for continuous improvement.

Warm regards,

Dr. Pankaj A Gupta

Executive Director
INMANTEC INSTITUTIONS

FROM THE DESK OF THE DIRECTOR (ACADEMICS)

Opportunities that foster learning, creativity, and collaboration bring a deep sense of fulfilment. It is with this spirit that we present “TARA: A Mirror to Our Inner Self”, a platform to celebrate the intellectual, artistic, and innovative pursuits of our institution.

This inaugural issue reflects the dynamic academic and co-curricular landscape of our institution, capturing the dedication of our students, faculty, and staff in pushing the boundaries of knowledge and excellence. Through research, interdisciplinary initiatives, community engagement, and creative expression, our institution continues to nurture holistic growth across all disciplines.

I commend the students, teachers and staff on the editorial team for their commitment to curating and presenting this vibrant compilation. Their dedication ensures that TARA not only informs but also inspires. My heartfelt appreciation goes out to every contributor who has enriched this publication with their insights, reflections, and achievements.

As we move forward, let us continue striving for excellence, fostering a culture of curiosity, and shaping a future filled with promise and innovation. Wishing everyone success in their academic and professional journeys!

Best wishes always,

Dr. Latika Gupta

Director, (Academics)
INMANTEC INSTITUTIONS

FROM THE DESK OF THE DEAN ACADEMICS

Dear Readers,

It is with great excitement that we present to you the very first edition of our institution's newsletter. While this marks the beginning of a new tradition of documenting and sharing our milestones in this format, our journey as a vibrant academic community has been long and enriching.

Through this publication, our mission is to inspire, inform, motivate, and connect — bringing together the essence of our academic and co-curricular activities. This edition thoughtfully captures the spirit of INMANTEC, “threading beads onto a garland” — thus weaving together the diverse events and achievements that have shaped our story.

The magazine team has worked with great dedication to compile the highlights of 2024, providing a platform to reflect on and celebrate the moments that define us.

Thank you for being an integral part of this journey. Your feedback, contributions, and continued support inspire us to strive for new heights and to make each edition even more meaningful.

Dr. Nitin Saxena

BEST OUT-OF-WASTE ACTIVITY

Department of Management organized "Best out of Waste" for BBA students on 9th August, 2024. Dr. Shilpi Singh was the event's coordinator. The competition was based on the creative and innovative utilization of waste materials which normally being discarded in our homes. This activity aimed to encourage students to use their creativity and innovation to use the waste materials available at their homes, where the final output must have utility. The participants were judged by Dr. Ananta Sharma (Principal, ISE) and Mr. K.K. Mittal (Academics Director-ISL), more than 48 students had participated.

DEBATE COMPETITION

The Department of Management conducted a Debate competition on 30-08-24 at the Seminar hall from 11:00 AM to 1:00 PM for the students of BBA. The event was organized by Dr. Mani Kansal – (HoD of MBA dept.). The aim of organizing a debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was a kaleidoscope of opinions, thoughts and perspectives that enhanced the knowledge and understanding of the cashless economy among students. The event was judged by Dr K K Mittal - (Dean of Law College), Dr. Pushpraj Sir- (Principle Law College) and Dr Rashmi Kaushik (Asst. Dean Mgt.) 22 students from BBA participated in this event with great enthusiasm. The winners of this competition were: Samad Khan BBA III Sem., Mahi Sharma BBAV Sem. and Sahil Sharma BBAIII Sem.

ONE DAY FDP ON "ROLE OF HUMAN VALUES IN HOLISTIC DEVELOPMENT"

Human values also promote inclusivity, diversity, and social justice, creating a community that is inclusive and accepting of all individuals. When ethical and human values are integrated into an individual's life, they create a sense of balance, purpose, and meaning. Ethical values serve as a guiding force for individuals to make decisions that align with their principles and beliefs. They help individuals understand the consequences of their actions and provide a framework for ethical decision-making. FDP was successful as participants learnt to live a life based on actually realizing the importance of physical facilities and understanding the meaning of continuous happiness, and prosperity. 40 faculties actively participated in the FDP.

MBA FRESHER'S DAY CELEBRATION 2024-26

The Department of Management organized a freshers party on 28-11-24 at the Auditorium, Inmantec Institutions from 12:00 PM to 4:00 PM. The purpose of the MBA Freshers Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. Ms. Samrahi Sharma and Mr. Abhay Dutt were chosen as the Miss. and Mr. Fresher, respectively. Mr. Karan Kumar and Ms. Kajal Sharma were chosen as Mr. Confident and Miss. Confident, respectively. The event was finally concluded with a vote of thanks by Dr Nitin Saxena, Dean of Academics. Refreshments were served after the program.

WORKSHOP ON METAVERSE MARKETING

The Department of Management conducted a workshop on 17-10-24 at the Auditorium, INMANTEC Institutions from 10:00 PM to 1:00 PM. Dr Shenki Tyagi was our Guest speaker faculty at KIET Ghaziabad in the domain of Marketing and IIM Certified Digital Marketer. The workshop is aimed at providing a platform for our students to expand their knowledge and understand views and insights into the world of augmented reality known as the metaverse, a critical space or spaces made possible by the new, decentralized iteration of the internet, built on artificial intelligence (AI) and emerging 3D visual technologies. More than 200 students had participated from MBA and BBA dept.

WORKSHOP ON ARTIFICIAL INTELLIGENCE

One-day Awareness Workshop on "Leveraging Generative Artificial Intelligence (AI) for Pedagogical Excellence in Higher Education" to be Conducted on 14th October 2024. The event was organized by Dr. Mani Kansal –HoD MBA. The purpose of organizing the workshop is to give awareness to the MBA students on the integration of generative AI and prompt engineering in the learning process to make the instruction more efficient and effective. The guest speaker was Dr. Shilpi Singh (Associate Professor Department of Management) INMANTEC Institutions Ghaziabad. The students showed keen interest in the workshop and have gained hands-on experience in the topics of Artificial Intelligence. Overall 54 students and 02 faculty members participated from different departments. This workshop was a good learning experience for the participants.

WORKSHOP ON STOCK MARKET BASICS

The Department of Management organized a Workshop on "Stock Market Basics" for all the management students on 14th November 2024. The speaker at the event was Dr. Simmi Khurana (Professor AKGIM, Ghaziabad). She has been an active trader in the market and brings along with her experience of trading using technical analysis. The workshop began its course by busting all the myths of trading stocks, explaining in detail about the financial markets, the basics of trading and the different types of live charts, and indicators which gave all the students an insight into the stock market and how it performs. Participants could also witness some livestock trading with charting patterns and indicators which help them understand all the terms even better. Overall 46 students and 02 faculty members participated from different departments. This workshop was a good learning experience for the participants.

PROGRAMMING QUIZ

Quiz activity was held at ICC LAB, INMANTEC on 26 July 2024. Objectives are: Improve the programming skill of the student and some fundamentals of C & C++. Improve the logical power of students. Improve the programming concept and algorithm. A programming quiz typically assesses knowledge and skills related to coding, algorithms, and problem-solving.

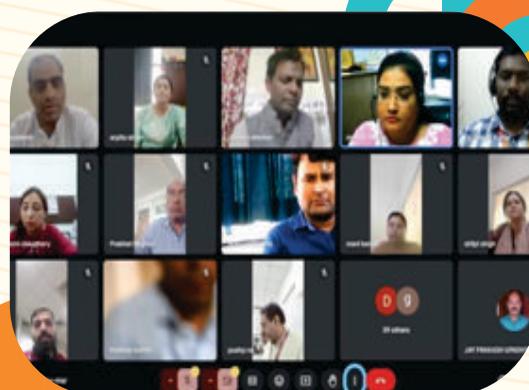

INDUSTRIAL VISIT AT APPSQUADZ SOFTWARE PVT. LTD.

The industrial visit to AppSquadz Software Pvt. Ltd was organized for MCA Students as part of their curriculum. The visit aimed to provide participants with practical insights into the operations and processes of a leading software in the industry.

ONLINE FDP ON INTELLECTUAL PROPERTY RIGHTS

The Integrated Academy of Management and Technology/IT Department in collaboration with CIPAM organized a 5-day online Faculty Development Program (FDP) on Intellectual Property Rights from 05/08/2024 to 09/08/2024. The FDP aimed to equip faculty members with the latest tools, techniques, and knowledge in the field of IPR. A total of 100 participants attended the program, representing various institutions across the country.

ORIENTATION PROGRAM FOR NEW BCA STUDENTS 2024

The event started with lamp lighting by all the dignitaries, followed by Saraswati Vandana in dance form. The freshers get introduced to the Inmantec institution by:

Welcome Address, Motivational Talk, Ice-Breaking Activities, Introduction to Course and Faculty, Instructions and Guidelines, Interactive Session, Campus tour.

The program concluded with a vote of thanks delivered by Dr. Mukta Makhija, Asst. Dean of the IT department, who appreciated the efforts of the organizing team and encouraged students to make the most of their time at INMANTEC Institutions.

INDUSTRIAL VISIT OF BCA II YEAR

The industrial visit was conducted very good manner. This visit was very informative for students. They got a chance to see the corporate culture and enhance their knowledge. After the successful completion of this industrial visit our department is very keen to organize this type of industrial visit for the betterment of the student.

VEDIC MATHEMATICS

Vedic Maths activity typically focuses on engaging students with the core principles and techniques of Vedic Mathematics through interactive and hands-on exercises.

This activity was held at Seminar Hall, INMANTEC. Students get familiar with Real-Life Applications: Discuss how Vedic Mathematics can be applied to real-world problems or in competitive exams to save time and increase accuracy Multiplication and Square of any numbers.

Real-World Problems: Apply techniques to solve real-world problems or in competitive exams to practice under time constraints.

Work on Problems: Solve a variety of problems using Vedic methods to build proficiency and speed. Focus on different types of operations like multiplication, division, squaring, and square roots.

TECHNOHACK 2024

INMANTEC organized an inter Institution event “TECHNOHACK - 2024” with great enthusiasm on 20 Sep 2024. The event takes place at INMANTEC campus for all IT students.

The program was started with the blessing of Maa Saraswati followed by Sarsawati Vandana.

Around 330 students registered for the event in different activities like blind coding, Keyboard Tricks, Coding Ninja, Bug Bowl, Project Presentation etc., out of them around 220 are participated. Participants were very excited and participate with great enthusiasm. After the event all the winners awarded with Trophies & Cash Prizes, rest all the participants awarded with the certificates.

WORKSHOP ON MEAN STACK DEVELOPMENT -2024

In its pursuit of academic excellence and real-world skill enhancement, INMANTEC organized a two-day immersive Workshop on MEAN Stack Development on 28th–29th November 2024, from 10:00 AM to 2:00 PM, at the Seminar Hall and ICC Lab.

Targeted at the BCA and MCA students, the workshop focused on equipping learners with one of the most in-demand full-stack development skillsets—MongoDB, Express.js, Angular, and Node.js. With a curriculum designed to blend conceptual clarity and hands-on coding, the event witnessed enthusiastic participation.

Over the course of two days, students explored:

- The architecture and flow of MEAN applications
- Restful APIs and back-end connectivity
- Front-end development using Angular
- Real-time deployment practices and debugging techniques

The workshop served as a launch pad for aspiring developers, nurturing a mindset for innovation and full-stack proficiency. Students were not only introduced to the power of modern web development but also encouraged to build dynamic, scalable applications from scratch.

By the end of the session, participants walked away with more than knowledge—they carried inspiration and confidence to step into the world of modern web technologies

MCA ORIENTATION

INMANTEC feels delighted to share that the Orientation Programme "VIDYAARAMBH -2024" was conducted with great enthusiasm on 30th September 2024 from 10:00 AM to 01:00 PM at auditorium Hall, of INMANTEC Campus to welcome MCA First-year Students.

Mr. Himanshu Jessie Walia, Director – IT Infrastructure & BSSI at Amdocs, who was honoured with a memento and a sapling, presented as a mark of respect by Dr. Vinay Pratap Singh, Academic Dean, INMANTEC.

Mr. Himanshu Jessie Walia motivated the students with his words of wisdom. Dr. Deepak Saxena Registrar, INMANTEC enlightened the students regarding the code of conduct of MCA. Welcome speech and Virtual tour was given by students of MCA IIInd Year.

BCA, MCA FRESHERS- ESPERANZA-2024

At INMANTEC, every new beginning is celebrated not just with lights and laughter, but with purpose and passion. "Esperanza 2024", the official fresher's welcome for BCA and MCA first-year students, lit up the campus on 18th October 2024 from 9:30 AM to 2:00 PM, turning the auditorium into a canvas of colors, cheers, and new hopes.

The day began with a soulful invocation to Maa Saraswati, followed by the dignified lamp-lighting ceremony, symbolizing the illumination of minds and spirits. What followed was more than a celebration—it was a vibrant symphony of talent, energy, and heartfelt connections.

Esperanza 2024 did not just set the tone for the academic year—it raised the bar. INMANTEC looks ahead to many more such moments where hearts meet, and journeys begin.

WORKSHOP ON INTERNET OF THINGS -2024

A Gateway to the Connected Future With a vision to bridge classroom learning with real-world innovation, INMANTEC proudly hosted the Workshop on IoT (Internet of Things) on 13th November 2024, from 11:00 AM to 1:00 PM at the Seminar Hall. Organized for BCA 2nd and 3rd year students, this workshop was not just a session—it was an invitation to the future.

From smart devices to intelligent cities, students were introduced to the boundless possibilities of IoT. The session shed light on emerging trends, career paths, innovative projects, and future research opportunities in the IoT landscape. It wasn't just about knowledge; it was about vision-building and sparking curiosity.

WORKSHOP ON HOW TO BECOME A SELENIUM AUTOMATION PROFESSIONAL-2024

INMANTEC feels delighted to share that the "Workshop on How To Become A Selenium Automation Professional" was conducted with great enthusiasm on 13th December 2024 from 11:00 AM to 01:00 PM at ICC LAB, of INMANTEC Campus for MCA Students. The program was started with the blessing of Maa Saraswati followed by a lamp-lighting ceremony done by the dignitaries. Encourage students to explore the interdisciplinary nature of Selenium Automation projects and solutions. Make students aware of emerging career paths, research opportunities, and trends in the Selenium Automation field, encouraging further exploration and skill development. Student feedback highlights specific positives and areas for improvement, helping organizers understand how to make future workshops even more engaging and effective.

SESSION ON EFFECTIVE COMMUNICATION IN MODERN WORKPLACE

Effective communication is the cornerstone of success in today's dynamic and fast-paced professional environment. To address this critical aspect of workplace efficiency, a highly engaging and interactive "Session on Effective Communication" was recently organized by the Management Department. The session was delivered by Ms. Samiyah Jamal (INMANTEC ALUMNI PGDM Batch 2004-06). She aimed to equip students with practical skills and strategies to communicate more effectively in the modern workplace. The "Session on Effective Communication at the Modern Workplace" was a resounding success, leaving participants with valuable skills to enhance their professional relationships and workplace productivity. As organizations continue to evolve, effective communication will remain the key to overcoming challenges and driving success in any work environment. The sessions were inaugurated by Dr. Nitin Saxena (Dean Academics), Dr. Rashmi Kaushik (Assistant Dean Management), faculty coordinators- Ms. Shanu Khanna

WORKSHOP ON DIGITAL MARKETING

In today's fast-paced, technology-driven world, digital marketing has become the backbone of business success. The Department of Management successfully organized two insightful workshops for BBA and MBA students, focusing on critical industry-relevant skills. On October 18, 2024, the department conducted a workshop on "Digital Marketing" led by Mr. Abhishek Gupta, a renowned corporate trainer from DUCAT. The session provided students with in-depth knowledge of digital marketing strategies, tools & best practices essential for today's competitive business environment. The sessions were inaugurated by Dr. Nitin Saxena (Dean Academics) and Dr. Vinay Pratap Singh, Dr. Rashmi Kaushik (Assistant Dean Management), Mr. Shivam Chaudhary (Placement Coordinator) & faculty coordinators- Ms. Anjana Singh and Mr. Manoj Kumar Chaudhary.

ORIENTATIONS

The B.Com Department organised a "Shubharambh Orientation Programme" on August 29, 2024, for B.com 1st year students to welcome and be aware of the freshers from the college. To create a welcoming and inclusive environment for new students, helping them feel comfortable and part of the college. To share essential information about the institution, its facilities, services, rules, and regulations to help new students navigate their academic journey effectively. To facilitate interactions among new students, faculty, and staff, fostering relationships and building a sense of belonging within the institution. To introduce new students to academic and support resources available to them, such as libraries, counselling services, and extracurricular activities. To clarify academic expectations, program requirements, and university policies to ensure new students understand what is expected of them during their time at the institution.

हिंदी दिवस

शिक्षार्थी प्रसिद्ध हिंदी लेखकों, कवियों और साहित्यकारों से भी परिचित हुए जिन्होंने भाषा के संरक्षण और विकास में योगदान दिया है कुल मिलाकर, हिंदी दिवस समारोह एक बड़ी सफलता थी और हिंदी भाषा और संस्कृति के प्रति हमारे प्यार और प्रशंसा को प्रदर्शित करने का एक शानदार अवसर था।

संस्कृत से जन्मी है हिन्दी,
शुद्धता का प्रतीक है हिन्दी।
लेखन और वाणी दोनों को,
गौरवित करवाती हिन्दी।
उच्च संस्कार, विचिता है हिन्दी,
सतमार्ग पर ले जाती हिन्दी।
ज्ञान और व्याकरण की नदियाँ,
मिलकर सागर स्रोत बनाती हिन्दी।

GUEST LECTURE

Guest Lecture was conducted by the Department of Commerce on 23rd September 2024, by Mrs. Elina Dayal chairperson of Siddhantam Public School, she has more than 35 years of experiences a principle in 12 different schools all over India.

The topic is Setting Goals and Achieving them, Goal setting is a process that starts with careful consideration of what you want to achieve, and ends with a lot of hard work to actually do it. In between, there are some very well-defined steps that transcend the specifics of each goal. Knowing these steps will allow you to formulate goals that you can accomplish. She motivate and encourage the students shared her experiences .It was a successful lecture by the concerned faculty.

INDUSTRIAL VISITS

B.Com Department organised an Industrial Visit to Toshi Automation Solutions on October 24, 2024, for the final year students to understand the functioning of the industry It Provides an insight into the real working environment and also Provides an opportunity to plan, organize and engage things It's a good opportunity to interact with the experts Helps to enhance their interpersonal skills. A total of 51 students visited the industry There students got practical exposure to various concepts of Cost Accounting including purchase orders, Sales orders, Requisition slips, Material handling, Stores Ledgers(LIFO, FIFO) etc...Also they witnessed the production of various doors and seen the demo of sensor operated automatic doors, Hispeed Doors with zipper technology, modular curtains etc.

FRESHERS

The "Flores of Freshers" Party 2024, held on November 9 at the College Campus 2 Open Auditorium, was a vibrant and unforgettable celebration to warmly welcome the B.Com, BA, and D.Pharm students into the college family. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. Students were welcomed with so much of enthusiasm which was organized by seniors. As a trend of the institute, the party began with the auspicious lamp lighting. The occasion was graced by the presence of Dr. Pankaj A. Gupta (Executive Director) & principals and all faculty members.

Fresher's party is all about creating everlasting relationships with each other. The event is an indication of union among the students. Pulsating ambience, flashing lights and foot-tapping music set the mood of the party right. The excitement augmented to a joyful high as performances graced the stage. The dance floor was left open for some unbridled energy. Joy and happiness could be seen among students of every course at the college. The highlights of the evening included an electrifying ramp walk, dazzling cultural performances, and the much-anticipated crowning of Mr. Fresher, Lakshman Tripathi, and Ms. Fresher, Rebecca, a poised and talented B.Com student.

MOVIE SHOW

On the Occasion of Children's Day, we celebrate this day with B.Com, B. A and D.Pharm students to show a Motivational movie Chandu Champion and small refreshment. Chandu Champion" is a powerful reminder of the strength of human willpower. The lessons from this movie resilience, focus, and adaptability are key ingredients for success, whether in the boxing ring in the corporate world or your life.

Department of Pharmacy

BULLETIN BOARD DECORATION COMPETITION

The Bulletin Board Decoration Competition held on September 20, 2024, was a vibrant inter-departmental event celebrating creativity and cultural diversity under the theme of "Tourism." Organized by the Admission and Media Coordinator Ms. Gauri Verma and all department faculty members, four teams, each representing a different country—India, Singapore, Japan, and Vietnam—transformed bulletin boards into artistic showcases of culture and attractions. Judged by creativity, relevance, presentation, and content, the competition highlighted teamwork and dedication. Team Japan (D.Pharm Department) emerged as the winner with their outstanding attention to detail, followed by Team India (B.Com Department) and Team Singapore (B.Com Department). This event not only fostered artistic expression but also deepened appreciation for global tourism and cultural uniqueness. Smoothly, the event was conducted in the presence of Dr. Rakesh Chawla (Principal, Commerce) & Dr. Harjeet Singh (Principal, Pharmacy).

FRESHER PARTY 2024

The "Flores of Freshers" Party 2024, held on November 9 at the College Campus 2 Open Auditorium, was a vibrant and unforgettable celebration to warmly welcome the B.Com, BA, and D.Pharm students into the college family. Organized with meticulous planning by student committees under the guidance of faculty members, the event beautifully combined camaraderie, talent, and celebration.

The highlights of the evening included an electrifying ramp walk, dazzling cultural performances, and the much-anticipated crowning of Mr. Fresher, Lakshman Tripathi, and Ms. Fresher, Rebecca, a poised and talented B.Com student. The elegant decor, harmonious music, and refined dress code enhanced the charm of the event, creating a perfect ambience to mark the beginning of this exciting journey.

This freshers' event was organized with the support of Dr. Rakesh Chawla, Principal of the Commerce Department, and Dr. Harjeet Singh, Principal of the Pharmacy Department. Guided by the creativity and teamwork of faculty and students alike, the "Flores of Freshers" Party will be cherished as a celebration of unity, talent, and new beginnings.

CPHI & PMEC PHARMA VISIT

CPHI & PMEC India 2024, held from November 26th to 28th, at the India Expo Centre, Greater Noida, Delhi NCR, is a prestigious pharmaceutical exhibition that serves as a hub for showcasing innovations, fostering networking opportunities, and facilitating business collaborations in the pharmaceutical sector. This event stands as a premier platform where cutting-edge advancements in drug manufacturing, medical technology, and engineering solutions come together.

On November 28th, 2024, a group of 35 pharmacy students from INMANTEC Institutions, accompanied by faculty members Mr. Panshul Chauhan and Ms. Alka Rana, participated in this globally acclaimed event. The visit, organized by Dr. Harjeet Singh, Principal of the Pharmacy Department, aimed to bridge the gap between academic learning and real-world applications by providing insights into the latest industry trends, technological advancements, and potential career opportunities.

Students explored various stalls exhibiting advanced pharmaceutical machinery, drug manufacturing processes, and innovative medical solutions. They interacted with professionals, researchers, and industry experts, gaining valuable exposure to the dynamic world of pharmaceuticals and medical engineering. The experience inspired students to explore innovative projects and internships while broadening their understanding of career pathways in the field.

The visit to CPHI & PMEC India 2024 was a remarkable learning experience, emphasizing the importance of staying updated with industry trends and building professional connections to nurture future career growth. This initiative successfully combined theoretical knowledge with practical insights, leaving a lasting impact on the participating students.

KALA RACHANA

The Kala Rachana art event, held on 26th November 2024 at INMANTEC Institutions' Campus 2, was a vibrant celebration of creativity, where pharmacy students showcased their artistic talents through the theme Different Forms of Art. Participants explored various art styles like Mandala, Madhubani, Warli, Kalighat and Miniature art, using innovative ideas and bright handmade materials. The event encouraged students to express their craftsmanship while adhering to a structured set of rules.

This event was organized with the support of Dr. Harjeet Singh, Ms. Gauri Verma, and the supportive pharmacy faculty members, making it a memorable platform for students to embrace and exhibit their artistic abilities.

YOUNG THINKER'S CONFERENCE PAPER PRESENTATION COMPETITION

The Department of Arts has organised a 'Paper Presentation Competition' on 15th October 2024. The topic for the presentation is 'Role of Social Media in Shaping the Life of Younger Generation'. This competition was organised to enhance the research, to foster research, innovation and analytical skills of the students in their respective specializations. Twelve students across all departments participated in the competition which was evaluated by the Jury Panel- Dr. Mukta Makhija, Assistant Dean IT, Dr. Rakesh Chawla, Principal, Dr. Harjeet Singh, Principal, Mr. Shobhit Kumar, Assistant Professor.

EMPOWERING MENTAL WELL BEING AMONG THE COLLEGE YOUTH

The Department of Arts organised an interactive session on 27 November 2024 for all the College students. This igniting session was organised to maintain and improve their mental well-being, fostering resilience and overall quality of life.

Education Department

BHAVOKTI

The Education Department has once again raised the bar by launching three impactful events aimed at fostering creativity, community spirit, and presentation skills among students and educators alike. These initiatives—Bhavokti, Community Work, Essay Writing Competition, and Slide Master Challenge—underscore the department's commitment to holistic development and active participation.

On July 16, 2024, the Integrated School of Education hosted a vibrant cultural event, Bhavokti, for its B.Ed. Students. This event served as a warm welcome for the 2023-25 batches and a heartfelt farewell for the 2022-24 batches. The celebration featured captivating performances by students, highlighting their talents and creating a memorable experience for all. The event was graced by Mr. Amit Garg (Director of AGS Academy) and Miss Universe Divine 2022, M.I.H.M., as the Chief Guests. They added to the grandeur of the occasion and inspired the students with their presence. The program featured a range of engaging performances by students, culminating in the announcement of titles Mr. Fresher, Miss Fresher, Mr. Farewell, and Miss Farewell. Bhavokti was a delightful blend of nostalgia and enthusiasm, leaving a lasting impression on the participants and attendees alike.

COMMUNITY WORK

The Integrated School of Education organized a remarkable "Community Work" program on October 4, 2024, at Kazipura School, Ghaziabad. The event featured a Nukkad Natak performed by B.Ed. Students, highlighting the Importance of Cleanliness. Alongside the performance, they distributed food and stationery items to the school students, fostering a spirit of social responsibility. This initiative aimed to cultivate an attitude of social work among the students. This thoughtful initiative exemplifies the institution's dedication to social awareness and community welfare.

ESSAY WRITING COMPETITION

On November 11, 2024, the Integrated School of Education (ISE) organized an Essay Writing Competition on the topic "Climate Change: A Global Challenge." Students from various courses, including B.A., B.A.-LLB, B.Com. and B.Ed. participated with enthusiasm and showcased their creativity and awareness. The competition aimed to inspire students to think critically about environmental challenges and foster a sense of social responsibility.

Unleashing the power of words, this competition invites participants to express their thoughts on a range of thought-provoking topics. Designed to hone analytical thinking, creativity, and language skills, this event is open to all age groups. Winners will have their essays featured in a special publication, further motivating budding writers to shine.

SLIDE MASTER CHALLENGE

On November 21, 2024, the Integrated School of Education (ISE) organized the Slide Master Challenge, an exclusive PowerPoint-making competition for B.Ed. Students aimed to enhance their creativity and presentation skills. The event encouraged participants to showcase their abilities in crafting informative and visually compelling slides, fostering both technological proficiency and innovative thinking. In the digital age, the ability to create compelling presentations is a vital skill. The Slide Master Challenge provides a platform for participants to showcase their creativity and technical expertise in crafting visually engaging and content-rich slides. With themes that range from environmental awareness to futuristic innovation, the challenge promises to be as educational as it is exciting. The challenge provided students with valuable hands-on experience in creating impactful slides, an essential skill in modern education. Certificates of appreciation were awarded to all participants, encouraging them to refine their expertise further.
