FROM THE DESK OF THE CHIEF EDITOR

Dear Readers,

Welcome to another vibrant edition of TARA: A Mirror to Our Inner Self—the collective voice of our college community, where ideas spark dialogue and stories leave a lasting imprint.

As we move through yet another semester marked by challenges, breakthroughs, and shared experiences, TARA continues to reflect the spirit that binds us—curiosity, creativity, and an enduring commitment to growth.

This edition brings that spirit to life. From campus highlights and student accomplishments to faculty reflections and meaningful initiatives, every page contributes to the evolving narrative of who we are and what we value. You'll also find features that spotlight innovation, inclusivity, and social responsibility—pillars that define the very core of our institution.

More than just a newsletter, TARA stands as a tribute to the resilience, voice, and vision of our academic family. Whether you're revisiting cherished moments, discovering peers' creative expressions, or engaging with ideas shaping our times, we hope this issue offers something that resonates with you.

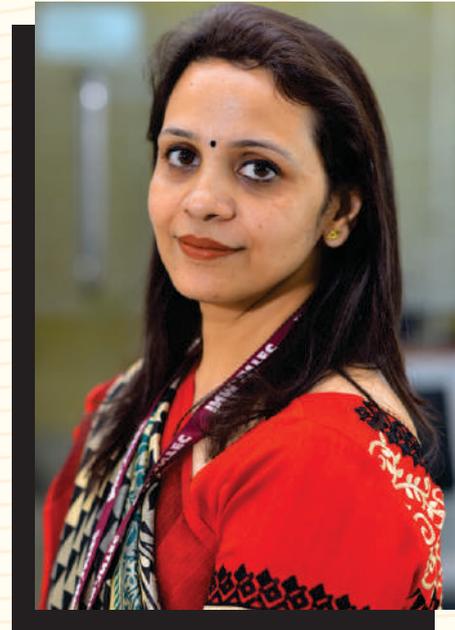

In a world overflowing with information, platforms like TARA remind us of the importance of insight—of pausing not just to celebrate, but to reflect, question, and aspire. Because education, at its heart, is not only about knowledge gained, but the change it inspires.

To our readers—thank you for your time and attention. And to every contributor, editor, and supporter—keep writing, imagining, and reaching higher. TARA shines brighter because of each one of you.

Warm regards,

Dr. Ananta Sharma

Principal, ISE & Editor, TARA
INMANTEC INSTITUTIONS

FROM THE DESK OF THE EXECUTIVE DIRECTOR

It is with great pleasure that I present to you the latest edition of our institutional newsletter—TARA: A Mirror to Our Inner Self. This publication stands as a reflection of our shared journey—one marked by purposeful learning, innovative thinking, and a deep-rooted commitment to growth.

TARA captures the dynamic spirit of our institution, highlighting the many ways in which our academic community—faculty, students, and staff alike—is contributing to meaningful progress. From research and pedagogy to technology integration, outreach, and institutional advancement, this issue brings to light the collective efforts shaping our present and paving the way forward.

The edition also offers insights into some of the key events, engagements, and collaborations that are influencing our academic vision and refining our approach to education. Whether it be through pioneering workshops, distinguished guest lectures, or strategic partnerships, each initiative adds to the evolving narrative of our institution.

I extend my sincere appreciation to the editorial team for their thoughtful curation and dedicated efforts in bringing this edition to life. I also welcome your reflections and feedback, as we continue to grow, adapt, and lead—together.

Warm regards,

Dr. Pankaj A Gupta

Executive Director
INMANTEC INSTITUTIONS

FROM THE DESK OF THE DIRECTOR (ACADEMICS)

Growth, excellence, and commitment remain the guiding principles of our institution's academic journey. Year after year, we build upon a strong foundation of values and intellectual discipline, strengthened by a shared dedication to holistic development. It is this enduring pursuit that defines our identity and shapes our aspirations.

In this spirit, we are pleased to present the next issue of TARA: A Mirror to Our Inner Self—a publication that captures the intellectual vitality, creative spark, and innovative spirit that run through the heart of our academic community. TARA is not merely a chronicle of achievements; it is a reflection of the passion and purpose that fuel our collective efforts.

This edition brings to light the remarkable contributions of our students, faculty, and staff—across academics, research, cultural engagement, and community initiatives. Each feature is a tribute to the collaborative spirit and unwavering commitment that set us apart.

I extend my sincere appreciation to the editorial team for their diligence and creative vision, and I congratulate all contributors who have enriched this edition with their perspectives and imagination.

As we continue forward, may we remain resolute in our pursuit of excellence, and united in our mission to cultivate knowledge, integrity, and innovation in all that we do.

With warm regards and best wishes,

Dr. Latika Gupta

Director, (Academics)
INMANTEC INSTITUTIONS

FROM THE DESK OF THE DEAN ACADEMICS

It is with great enthusiasm that we share the second edition of our institution's newsletter. Building on the encouraging response to our inaugural issue, this edition continues our effort to thoughtfully document and celebrate the milestones that shape our journey as a vibrant academic community.

With TARA: A Mirror to Our Inner Self, we strive to inform, inspire, and connect—capturing the academic, co-curricular, and cultural spirit of our institution. In true INMANTEC tradition, this publication threads each bead onto a garland, weaving together the diverse experiences and achievements that define us.

This issue brings you a curated reflection of events from January to March 2025, thanks to the editorial team's meticulous effort and creative dedication.

Thank you for being a vital part of this evolving narrative. Your encouragement, contributions, and feedback energize our commitment to make each edition more meaningful than the last.

Warm regards,

Dr. Nitin Saxena

*Dean Academics
INMANTEC INSTITUTIONS*

MANAGEMENT DEVELOPMENT PROGRAM (MDP) ON TEAM BUILDING SKILLS: TOGETHER TOWARDS EXCELLENCE

The Department of Management organised Management Development Program (MDP) on Team Building Skills – Together Towards Excellence on January 11, 2024, with 25 participants from Muvro Technologies Pvt. Ltd. The program aimed to enhance team collaboration, conflict resolution, and trust-building through interactive exercises like Team Talk Relay, Teamwork Tower Challenge, Know & Grow, and Team Pyramid Blitz. The sessions, led by Dr. Nitin Saxena, Dr. Rashmi Kaushik, Dr. Mani Kansal, and Prof. Shanu Khanna, combined lectures, discussions, and experiential games to foster leadership, decision-making, and creative problem-solving. The event concluded with mementoes for key personnel and a vote of thanks by Dr. Nitin Saxena.

GUEST LECTURE ON PERSONAL INTERVIEW

Mr. Prashant Srivastava, Founder and Deputy Regional Head at TIME, led the guest lecture on Soft Skills and Personal Interviews, organised by the Department of Management, on March 5, 2025. He shared practical strategies and real-life examples, making the session engaging and insightful. The lecture emphasised communication, confidence, teamwork, and interview preparedness as key factors for career success. Students found the tips on body language, self-assessment, and professional etiquette highly beneficial. Overall, the session was motivating and informative, equipping attendees with essential skills for future interviews.

FACULTY DEVELOPMENT PROGRAM ON STATISTICAL TOOLS FOR RESEARCH

The Department of Management organised a Faculty Development Program on Statistical Tools for Research, held on March 5, 2025, which provided educators and researchers with valuable insights into advanced statistical methods and their role in enhancing research capabilities. Mr. Prashant Srivastava, Founder and Deputy Regional Head at TIME, led the session, simplifying complex statistical concepts through an engaging approach. The program covered fundamental concepts, advanced techniques, software applications, and mixed-method research design, fostering a collaborative learning environment. Faculty members praised its practical focus and effective communication, expressing keen interest in further development programs to refine research methodologies.

FINANCE QUIZ COMPETITION

The Finance Club, coordinated by Ms. Kirti and Mr. Ankit Saxena, organised a Finance Quiz Competition on March 6, 2025, for BBA students of the Management Department. Over 80 students participated in the three-round competition, with Lavi Chaudhari securing 1st place, Shreya Saxena 2nd place, and Rachit Tomar 3rd place. Dr. Nitin Saxena, Dean (Academics), felicitated the winners. The event was praised for enhancing students' knowledge and analytical skills, with the organisers receiving commendation for their success.

RANG BARSE - ART COMPETITION

The Department of Management organized the "Rang Barse" competition for BBA First Year students on 7th March 2025. The event focused on creativity, innovation, eco-friendliness, and delivering a social message through posters. Participants, working in teams, showcased their artistic talents without using brushes, promoting teamwork, communication, leadership, and problem-solving skills. The competition featured 22 teams, judged by Dr. Ananta Sharma and Mr. Sudhir Srivastava, with 88 students and 10 faculty members participating. Winning teams received certificates of excellence and chocolates.

SDP MICROSOFT POWER BI AND DATA ANALYTICS

The event aimed to familiarise staff members with the capabilities of Microsoft Power BI in data visualisation and analytics, enhancing their skills in business intelligence tools and promoting data-driven decision-making. Mr. Satyendra Narayan, a renowned data analytics expert, led the session, providing practical insights, hands-on learning, and real-time demonstrations. The program included a welcome address by Dr. Rashmi Kaushik, an introduction to Power BI, a live demonstration of data integration and visualisation, hands-on activities, and real-world use cases in areas like sales analysis and marketing analytics. The session concluded with an interactive Q & A, allowing participants to clarify doubts. Attendees gained practical experience in Power BI, learned to connect and transform multiple data sources, and improved their awareness of industry data analytics applications. The event also sparked interest in pursuing data analytics careers and motivated participants to consider advanced certifications in Microsoft Power BI.

FDP ON WELL BEING AND PRESENCE

The Faculty Development Program (FDP) on Well-being and Presence, held on March 27, 2025, provided faculty members with essential insights into mental, emotional, and physical well-being for professional growth. Led by Dr. Amitabh Kumar, the session covered stress management, mindfulness in teaching, emotional intelligence, and resilience-building, equipping educators with practical strategies for fostering a balanced lifestyle and student engagement. The interactive discussions, case studies, and exercises made the program highly enriching, reinforcing the significance of self-awareness and mindful teaching practices in academia.

EXCURSION TRIP-RURBAN RESORTS

The Department of Management, under the supervision of the Management Committee, successfully organised a three-day Rurban Excursion Trip at the Resort, Muradnagar, for MBA and BBA students. This initiative provided students with an immersive learning experience, combining academic enrichment with practical exposure to leadership, strategic thinking, and teamwork. The trip featured a range of activities designed to foster resilience and collaborative skills, including zip-lining, mud challenges, chess competitions, and a rain dance session that encouraged camaraderie and interpersonal bonding. Beyond recreation, students gained valuable insights into hospitality management, sustainable tourism, and customer service, offering them a deeper understanding of industry dynamics. The excursion proved to be a transformative experience, equipping students with essential skills that extend beyond classroom education. Faculty coordinators played a pivotal role in ensuring seamless execution and student engagement. Ms. Anjana Singh and Ms. Nidhi Sharma supervised activities on Day 1, followed by Mr. Manoj Chaudhary and Ms. Shrishty Chaudhary on Day 2, and Ms. Onima Ranjan and Ms Kirti brought energy and precision to the excursion, ensuring smooth execution and impactful learning. Dr. Shilpi Singh and Mr. Ankit Saxena, as Day 4 MBA faculty coordinators, kept students motivated, engaged, and ready to take on challenges, fostering a dynamic and action-oriented experience.

ROBOTICS PROCESS AUTOMATION

Empowering Tomorrow: 15-Day RPA Certification Course at INMANTEC

Unlocking Automation Skills for the Digital Age

INMANTEC Institute is thrilled to have organised an insightful and hands-on 15-day Certification Course on Robotic Process Automation (RPA) from 11th to 28th February 2025, for BCA VI Semester students.

Hosted by Prof. (Dr.) Mukta Makhija (Asst. Dean, IT) and Prof. Girish Bansal (BCA Program Coordinator), led by resource experts Mr. Satyendra Narayan and Mr. Amandeep Kotnala from ICT, the program offered a future-focused learning experience centred around UiPath, one of the industry's leading RPA platforms.

Through a blend of interactive lectures, real-world case studies, and hands-on lab sessions, students explored the power of automation—from repetitive task handling to intelligent system integration with AI and OCR. By the end of the course, participants were proficient in designing, building, and deploying RPA solutions using UiPath Studio and Orchestrator.

The feedback was overwhelmingly positive, with students praising the practical approach, engaging teaching style, and relevance of content. Many considered the final project work as a standout highlight that bridged theory with application.

This initiative not only deepened technical competencies but also inspired students to pursue career and research opportunities in the growing field of automation, further affirming INMANTEC's commitment to equipping learners for the digital future.

GUEST LECTURE ON CLOUD COMPUTING

Empowering BCA Students with Future-Ready Tech Skills

INMANTEC Institute proudly hosted a Guest Lecture on Cloud Computing on 25th February 2025

The session began with a warm welcome and introduction, setting the stage for an enriching learning experience. The lecture aimed to introduce students to the concept and evolution of cloud computing, with an emphasis on cloud deployment models (IaaS, PaaS, and SaaS) and their relevance in modern business operations. The speaker provided insightful discussions on cloud security, scalability, and cost optimisation, offering both theoretical depth and practical relevance.

Using real-world case studies and industry trends, the speaker, Mr. Pawan (Technical Trainer, DUCAT, and Ghaziabad) effectively demystified complex cloud concepts, making them accessible and engaging. Students gained a clear understanding of how cloud computing is transforming the digital landscape and unlocking new possibilities across diverse industries.

The guest lecture proved to be an inspiring and informative initiative, aligning with INMANTEC's commitment to fostering industry-relevant education and empowering students with future-ready skills.

GUEST LECTURE ON DATA ANALYTICS USING PYTHON

INMANTEC Institute successfully conducted a Guest Lecture on Cloud Computing on March 11, 2025, from 11:00 AM to 1:00 PM at the Seminar Hall, ICC Lab, and INMANTEC Campus. The session was organised for BCA students and was marked by enthusiastic participation.

The core session focused on "Data Analytics with Python", offering students in-depth knowledge about Python's role in the data analytics domain. The lecture blended theoretical concepts with practical applications, providing participants with hands-on insights into real-world data analysis techniques and decision-making tools.

The speaker, Ms. Swati Pandey, Technical Trainer (My edu galaxy), enriched the learning experience through engaging examples and an interactive teaching style. The session concluded with a dynamic Q&A segment, allowing students to clear their doubts and delve deeper into the subject.

Overall, the lecture inspired many students to further explore Data Analytics and Machine Learning, particularly using Python as their primary tool.

GUEST LECTURE ON ROAD MAP TO DSA

To strengthen the technical foundation of its students, INMANTEC Institute organised a guest lecture on "Roadmap to DSA". The session was exclusively designed for BCA First-Year students, aiming to lay a strong foundation in Data Structures and Algorithms (DSA)- a critical component of computer science education. The resource persons were Mr. Kanak Gautam (IIT Roorkee), Instructor & Product Engineer & Mr. Deepak Chauhan, Community Manager, Coding Blocks.

The lecture aimed to help students understand the importance of Data Structures and Algorithms (DSA) in computer science and how they play a key role in programming, interviews, and system design. Students gained valuable tips on how to learn DSA effectively and apply it to real-world problems.

The session was highly appreciated, leaving students motivated and inspired. Their feedback also provided useful suggestions to improve future workshops and make them even more interactive.

EXCURSION TOUR IT DEPARTMENT

Rurban Retreat: A Refreshing Escape for MCA-I, BCA VI Semester Students, College-sponsored (Free for Students)

This educational and recreational trip was fully sponsored by INMANTEC Institute, offered free of cost to all participating students as part of the institute's commitment to promoting holistic development, mental well-being, and experiential learning outside the classroom.

Students, accompanied by two faculty coordinators, embarked on a memorable day trip to Rurban Resort—a unique destination blending the simplicity of rural life with the convenience of urban amenities.

From the moment they arrived, the experience was engaging and energising. The Resort Staff greeted everyone warmly, followed by a guided tour of the scenic property and its activity zones. Throughout the day, students participated in a wide range of activities designed to foster teamwork, relaxation, and personal development.

The visit to Rurban Resort was more than just a day out—it was a chance to reconnect with nature, understand real-world applications of classroom learning, and create lasting memories. The serene landscapes, adventurous activities, and soulful moments made it an unforgettable experience—a perfect balance of tranquillity and thrill.

HOLI CELEBRATION

INMANTEC INSTITUTIONS organized a vibrant Holi celebration on 12th March 2025, bringing together all members of the institution to rejoice in the spirit of unity and cultural festivity. Faculty and staff were warmly invited and encouraged to arrive on time and actively participate in a range of engaging activities.

The celebration featured traditional music, energetic dance performances, and a lively atmosphere, fostering joyous interaction among the participants. The primary objective of the event was to strengthen cultural unity and camaraderie among the faculty and staff by celebrating Holi — the festival of colors — with enthusiasm and cultural flair.

In keeping with the festive spirit, a themed dress code was followed: Bandhej or Lehriya attire for female participants and Kurta-Pajama for male participants. Everyone adhered to the theme, showcasing vibrant and traditional clothing that added color and elegance to the event.

The festivities commenced with the showering of flower petals and the smearing of Chandan on colleagues' faces, symbolizing harmony and goodwill. This was followed by the serving of a delightful spread of traditional Holi snacks, including Gujia and Thandai, which were thoroughly enjoyed by all.

The event was marked by joy, excitement, and a deep sense of togetherness. It successfully celebrated the cultural richness of Holi while strengthening the bonds among the employees of the Institution.

YOUTH PARLIAMENT REPORT

The Integrated School of Law organised the program of the youth parliament on 08/03/2025. Youth parliament is an academic activity done in a law college or university to make students aware of the parliamentary proceedings. Students play the role of existing members of parliament by depicting their participation in the proceedings about the concerned bill or debate. Director of Law Department, Dr. K K Mittal, started the program with his welcome note, then Dr. Latika Gupta, Academic Director of INMANTEC Institution, felicitated the guests. The chief guest of the program, Mr. Rajendra Agarwal, addressed the students and touched on some key issues related to the working of a real parliament. The program was divided into two parts. In the First half of the program, important questions were addressed, and the second half was dedicated to the discussion about the Indian constitution. 200 students participated in the program. Guest of Honour Dr. Satya Prakash (Former Dean CCS University Meerut), Prof. Dr Anjali Mittal, Former Principal Meerut College Meerut, Prof. Dr. Hari Shankar Rai (Meerut College Meerut, Department of Law) also shared their views about the importance of the youth parliament program in Law colleges and universities. At last, Dr. Pushp Raj Singh, Principal of Integrated School of Law, offered a Vote of Thanks.

LAW STUDENT'S ACHIEVEMENT IN YOUTH PARLIAMENT

We are glad to announce that Yash pradhan, student of BA-LLB 8th semester from Integrated school of law secured the position in district youth parliament and got selected for the state youth parliament, 2025 Lucknow. He is one of the very few students among all the law colleges of region who achieved this honour.

ALUMNI MEET REPORT

The Integrated School of Law, Ghaziabad, organised an Alumni Meet program on 23 March 2025. A total of 125 Alumni attended the meet. This program is conducted every year to reconnect with the Alumni of the Institution and to celebrate their success & achievements in their respective fields. It is a proud and emotional moment for both the Alumni and the Institution as well. The program started with the welcome speech of Dr. KK Mittal, Director Academics of the Law Department. After that, all the Alumni introduced themselves and shared their experiences with the college and discussed about their roles in various organisations. Many programmes took place at the meeting. Some of the programmes were: Cultural dance performances by the Law students from the different semesters, in the second half, A beautiful Musical program was presented by the Keshav musical group, which became a centre of attraction to all. At last, an Emotional vote of thanks was delivered by Dr. Pushp Raj Singh, Principal of Integrated School of Law.

INMANTEC PREMIER LEAGUE (IPL)

The Inmantec Premier League (IPL) was successfully organized at our college from 27th February-1st March 2025 as part of a vibrant sports initiative to promote physical fitness, teamwork, and enthusiasm among students. The event witnessed enthusiastic participation across multiple sports including cricket, volleyball, kho-kho, basketball etc. A series of well-coordinated matches were held on campus, drawing in students both as players and spectators, thereby creating a spirited and energetic atmosphere.

The league served as a great platform for students to showcase their talent, strengthen peer bonding, and take a refreshing break from academic routines. It not only boosted morale but also fostered a sense of healthy competition and sportsmanship. Throughout the three days, the campus was buzzing with energy as students came together to compete, cheer, and celebrate the spirit of sportsmanship. The well-organised matches not only highlighted the athletic talent of our students but also provided a refreshing break from academic routines, helping rejuvenate minds and build stronger peer connections.

To add grace to the event, the Chief guests were Mr. Pankaj Singh, Mr. Punit Kumar Teotia & Ms. Nisha Singh.

INTERNATIONAL WOMEN'S DAY

On the occasion of "International Women's Day," a session on women's health and hygiene was organised at INMANTEC Institute. The event was inaugurated by lighting the ceremonial lamp by Dr. Madhu Gupta, a renowned gynaecologist and the chief guest, along with Dean of Students' affairs Ms. Heena Mehta and other dignitaries.

The program aimed to make women aware of the importance of maintaining good health and hygiene. Dr. Gupta emphasised that both the role and responsibility of women have increased significantly in modern society. Therefore, being aware of health-related matters is crucial. She discussed various important topics related to health, such as:

- Mental stress
- Cleanliness
- Healthy eating habits

All these were explained to the female students in a simplified and effective manner. Dr. Madhu Gupta, highlighting these aspects, motivated everyone to take care of their health and well-being. She stated that such programs will inspire women to stay healthy and hygienic.

During the program, Dr Ananta Sharma, Dr. Mukta Makhija, Dr Mani Kansal, Dr Shilpi, Ms Shanu Khanna, and students were present.

INDUSTRIAL VISIT

On 29th January 2025, the INMANTEC Department of Pharmacy organised an industrial visit to Yakult Danone India Pvt. Ltd., Sonipat, Haryana, for D.Pharm students. The visit, coordinated by Dr. Harjeet Singh and faculty members, aimed to provide practical exposure to industrial operations and deepen students' understanding of probiotic product manufacturing.

The visit began with a warm welcome by the Yakult team, who introduced students to the company's global presence and history. Students were taken on a guided tour of the plant, where they observed various stages of production, including fermentation, bottling, packaging, and rigorous quality control processes. This firsthand experience gave them a clear picture of the manufacturing pipeline and the hygiene standards followed in the food and pharmaceutical industry.

A special session with the R&D team enlightened students on the science behind probiotics, their health benefits, and ongoing innovations in food technology. Interactive discussions with industry experts provided valuable insights into career opportunities and real-world applications of microbiology and biotechnology.

The students exhibited enthusiasm and discipline throughout the visit. The faculty appreciated the students' participation and the learning outcomes achieved. The visit successfully bridged the gap between academic learning and industrial practices, contributing significantly to the students' professional development.

COMMUNITY HEALTH CENTRE VISIT (CHC)

On 10th February 2025, the Department of Pharmacy, INMANTEC Institutions, organised a community visit to the Community Health Centre, Dasna, Ghaziabad, under the coordination of Dr. Harjeet Singh. The objective of the visit was to enhance students' understanding of real-world healthcare practices, bridge the gap between academic knowledge and practical exposure, and highlight the role of pharmacists in primary healthcare systems.

The visit commenced at 9:30 AM, and students were dressed in proper uniforms, including lab coats, face masks, and ID cards, maintaining institutional discipline and hygiene standards. The students were warmly welcomed by the medical and administrative staff and taken on a guided tour of key departments such as the Outpatient Department (OPD), emergency services, pathology lab, and pharmacy unit.

During the visit, students engaged in interactive discussions with doctors, pharmacists, and health centre personnel, gaining deep insights into patient care, medication dispensing, record maintenance, and coordination between various departments. The hands-on exposure provided clarity on the functioning of a community health setup and the critical involvement of pharmacists in supporting patient health and wellness.

The faculty praised the students for their discipline and enthusiasm. Overall, the visit proved to be an enriching academic and professional experience, fostering a deeper interest in community healthcare roles.

SCOUT & GUIDE CAMP: NURTURING LEADERSHIP AND VALUES THROUGH ACTION

The Education Department successfully organised a dynamic Scout and Guide Camp from 17th to 19th March 2025 for second-year B.Ed. Students, providing a platform for experiential learning, teamwork, and value-based education.

The three-day camp, conducted under the expert leadership of Mr. Shyam Singh, District Organiser, Commissioner, Bharat Scout & Guide, Ghaziabad, featured an engaging line-up of activities including First Aid training, tracking methods, and tent-pitching exercises. These practical sessions equipped students with essential life-saving skills while instilling discipline and resilience. The students were distributed in the form of a Toli representing the various states of the nation.

In addition to hands-on training, participants engaged in thought-provoking sessions emphasising the importance of ethical conduct and the rejection of social evils—critical qualities for future educators. These discussions aimed to nurture moral leadership among the teaching fraternity.

The final day of the camp began with a flag-hoisting ceremony and pledge, creating a spirit of unity, patriotism, and shared responsibility. One of the highlights was a vibrant Food Exhibition where students presented culinary specialities representing different Indian states. The event also featured a competitive round, celebrating the cultural richness and diversity of the nation. The winning Toli were

- 1st Position – Haryana
- 2nd Position – Punjab
- 3rd Position - Rajasthan

Overall, the camp was not just a training session—it was a celebration of values, culture, and the transformative power of education. The success of this initiative stands as a testament to the commitment of the Education Department in shaping holistic and value-driven educators of tomorrow.
